Parents & Friends Association
ANNUAL GENERAL MEETING

FAMILY JOURNEYS

Marta Gorondi (Senior member of our VCE staff) and Siyawash Subhani (College parent) will each share their family journey which has involved leaving their countries of birth, Hungary & Iran, and living as refugees before settling in Australia.

At a time when public debate on refugees and asylum seekers is so often polarised we offer our community the opportunity to hear an insider’s perspective. We hope you choose to share in this learning experience.
