Consolidated Charge

To overcome the need for students to bring cash to the College and to reduce numerous extras being billed to accounts, a consolidated charge is levied to cover items including annual camps, excursions, College magazine, sports buses and the sport program, locker padlocks, outdoor education programs (Years 9 - 10), Jersey (Year 11 & 12), visiting lecturers and artists, student accident insurance and special programs at various year levels. The consolidated charge also covers the provision of ICT resources to students.

Annual tuition fees and consolidated charges do not include accommodation, uniforms, books and stationery, extra private lessons, medical expenses, Medicare levy or travelling costs.

VCE Exam Entry Fees

Students in Years 10, 11 & 12 are required to pay VCE exam entry fees. This is not a payment to the College but is collected on behalf of each student for payment to the Board of Studies who co-ordinate VCE exams. This amount will be added to the account in addition to the above schedule of fees.

Local Support Fee

A fee of \$3,070 is payable for the local support service. This is a comprehensive service that assists international and EAL students at the College with their day-to-day wellbeing, welfare, social and academic progress, transportation to the airport and key events, and provides bilingual assistance to communicate with students, parents and teachers.
