

# Reportable Conduct of Staff, Volunteers and Others

## 1. PURPOSE

The Child Wellbeing and Safety Act 2005 (Vic) (the Act) requires College to investigate and report to the Commission for Children and Young People (Commission) allegations of 'employee' reportable conduct or misconduct that may involve reportable conduct.

The College has developed the following Reportable Conduct of Staff, Volunteers and Others Policy which sets out our systems for enabling persons to report reportable conduct and for such reports to be investigated and responded to. This policy is made available to all staff, Volunteers, Contractors, members of the Board, families and students via our public website and staff intranet.

The Commission's [website](#) provides additional guidance and materials which assist the College to understand and meet their obligations under the Act.

## 2. SCOPE

The Victorian Reportable Conduct Scheme imposes obligations on the Heads of organisations such as School Principals.

## 4. KEY ELEMENTS OF THE SCHEME

### 4.1 Who is an Employee?

For the purposes of the Act, 'employee' is defined as a person aged 18 years or over who is:

- employed by the College whether or not that person is employed in connection with any work or activities of the College that relate to children; or
- engaged by the College to provide services, including as a volunteer, contractor, office holder or officer, whether or not the person provides services to children.

A minister of religion or a religious leader is also an employee.

Of relevance to the College, the following people are considered to be employees:

- College Board Members;
- The Principal;
- Staff members;
- Volunteers;
- Third Party Contractors; and
- External Education Providers.

**For the purposes of this policy, all of the above are referred to collectively as "staff" or "staff members".**

### 4.2 What is Reportable Conduct?

Reportable conduct is defined in the Act to include:

- a sexual offence committed against, with or in the presence of, a child;
- sexual misconduct committed against, with or in the presence of, a child;
- physical violence committed against, with or in the presence of, a child;
- any behaviour that causes significant emotional or psychological harm to a child; or
- significant neglect of a child.

"Sexual misconduct" includes:

- behaviour, physical contact or speech or other communication of a sexual nature, for example 'sexting';
- inappropriate touching or physical contact;
- grooming behaviour; and
- voyeurism.

"Sexual offence" for the purposes of the Reportable Conduct Scheme means a serious sexual offence as set out in clause 1 of Schedule 1 of the Sentencing Act 1991 (Vic), which includes rape, attempted rape, sexual assault, incest, indecent act with a child, persistent sexual abuse of a child, grooming and the production or possession of child pornography.

"Significant" means in relation to emotional or psychological harm or neglect, that the harm is more than trivial or insignificant, but need not be as high as serious and need not have a lasting permanent effect.

Refer to **Commission Information sheet 2. What is Reportable Conduct?** for more information

Our **Child Safety Code of Conduct** outlines expected standards of behaviour of staff members at the College when interacting with children and young people. The commission of conduct which breaches the Child Safety Code of Conduct will constitute reportable conduct under this policy.

It is important that staff members maintaining professional boundaries with students. If a professional boundary is crossed, the conduct involved may constitute reportable conduct under this policy.

#### 4.3 What Must be Notified?

Under the Act, the College must notify the Commission of a **reportable allegation** against a staff member.

**Reportable allegation** is defined in the Act to mean any information that leads a person to form a reasonable belief that an employee (member of staff) has committed:

- reportable conduct; or
- misconduct that may involve reportable conduct –

whether or not the conduct/misconduct is alleged to have occurred in the course of the person's employment at the College.

#### 4.4 Who Must Notify?

Under the Act, any person may disclose a reportable allegation to the Commission (section 16L). A disclosure can be made using an online form available from the Commission's [website](#), by phone or by letter.

At the College, the "head" of the College must also notify the Commission (section 16M). The "head" is defined in the Act to include the chief executive officer or principal officer of the entity. The head of the College must make a report using an online form available from the Commission's [website](#).

In practice, the head is the person who is primarily responsible for the College's compliance with the reportable conduct obligations under the Act. Guidance from the DHHS states that a school principal will be a head.

At the College, the head is the Principal.

#### 4.5 Reportable Conduct and Other Reporting Obligations

The Reportable Conduct obligation covered in this policy is separate and distinct from the:

- Mandatory Reporting obligation under the Children, Youth and Families Act 2005 (Vic);
- Obligation to Report a Sexual Offence obligation under the Crimes Act 1958 (Vic); and
- Conduct that is Reportable to the Victorian Institute of Teaching under the Education and Training Reform Act 2006 (Vic).

The threshold for reporting allegations of reportable conduct is much lower than these other reporting obligations.

**Any allegations of criminal conduct, including physical violence, significant emotional or psychological abuse, sexual offences and significant neglect must be reported to the Victorian Police as the first priority.**

#### 4.6 Internal Reporting of Reportable Allegations

As soon as a person, including a staff member, forms a reasonable belief that a staff member at the College has engaged in reportable conduct or misconduct that may involve reportable conduct (the reportable allegation), the person must notify a **College Child Safety Officer** who must then notify the Principal. The report may be made verbally or in written form using the **College's incident reporting form**.

While this Template was created for reporting incidents, rather than reportable conduct, it is an excellent way to record as much information about the child abuse incident/s as is available.

Where the reportable allegation involves the Principal, the staff member must notify a College Child Safety Officer who must then notify the Chair of the Council.

It is important to note that a member of the College Child Safety Officer does not have a formal role under the Act (unless they are the 'head' of the school). However, it is the College's policy that a College Child Safety Officer is notified first.

Where a verbal report is made by a staff member, it should be followed up with a written report provided to the Principal within 48 hours of the verbal report.

Where a staff member has a reasonable belief that the Principal has engaged in reportable conduct, verbal and written reports should be given by a Child Safety Officer to the Chair of the College Council.

#### 4.7 Reporting to the Commission: The Principal or Chair of the Council

Where the Principal receives a reportable allegation from any person, including a staff member they must notify the Commission.

Where the reportable allegation involves the Principal, the person must notify College Child Safety Officer who must then notify the Chair of the Council who will become the 'head of the College' for the purposes of reporting the reportable allegation.

There are two stages of reporting.

- the reportable allegation as soon as possible, and in any event within three business days being notified (**Stage One Report**); and
- the proposed next course of action (see below), as soon as practicable, and within 30 days of becoming aware of the reportable allegation (**Stage Two Report**).

##### **Stage One Report**

The report to the Commission must state:

- that a reportable allegation has been made against a staff member;
- the name (including former name and alias, if known) and date of birth, if known, of the staff member;
- whether the Victoria Police has been contacted about reportable allegation;
- the name, address and telephone number of the College; and
- the name of the Principal.

An online form available on the Commission's [website](#) must be used for the Stage One Report.

If the staff member is a registered teacher and the misconduct involves a charge, conviction or finding of guilt of a sexual offence, the College must notify the Victorian Institute of Teaching (VIT) immediately under Conduct that is Reportable to the Victorian Institute of Teaching. The timing of making a Stage One Report to the Commission under this policy will coincide with the timing of a report made to the VIT.

### ***Stage Two Report***

The report to the Commission must state:

- detailed information about the reportable allegation;
- whether or not the College proposes to take any disciplinary or other action in relation to the staff member and the reasons why it intends to take, or not to take, that action; and
- any written submissions made to the Principal concerning the reportable allegation that an employee wished to have considered in determining what, if any disciplinary or other action should be taken in relation to the staff member.

**Any allegation of child abuse, including physical violence, significant emotional or psychological abuse, sexual offences or significant neglect, must be reported to the Victorian Police.**

After the Principal or the Chair of the Council has made a report to the Commission, they must ensure that an appropriate investigation of the reportable allegation is conducted.

The investigation can be conducted by the Principal or the Chair of the Council (if the allegation involves the Principal) or the College can appoint a regulator (for example the Victorian Institute of Teaching) or an independent investigator. A regulator engaged by the College for the purposes of an investigation may also appoint an independent investigator.

The Principal must notify the Commission of who will be conducting the investigation.

The investigation must be conducted in accordance with the rules of natural justice. For example, the investigation should be conducted without bias and the person against whom the allegation is made should be given the right to respond.

### **4.8 What Happens After a Report to the Commission is Made?**

Upon the conclusion of the investigation, the Principal or Chair must give the Commission:

- a copy of the findings of the investigation and the reasons for those findings;
- details of any disciplinary or other action that the Principal (or Chair) proposes to take in relation to the staff member and the reasons for that action; and
- if the Principal (or Chair) does not propose to take any disciplinary or other action in relation to the staff member, the reasons why no action is to be taken.

Under the Act, a staff member may seek a review by the Commission of a finding made at the conclusion of an investigation.

Under the Act, the Principal may disclose:

- information about the progress of the investigation;
- the findings, reasons for the findings and the recommendations made at the conclusion of the investigation;
- an action taken in response to those findings;

#### **4.9 Information Sharing:**

##### **To Children and Parents/Carers**

- the child who is the subject of the reporting allegation;
- a parent
- a carer; or
- the DHHS if the child is under its care.

Under the Act, the Principal may disclose information in relation to:

- a reportable allegation;
- a concern that reportable conduct has been committed;
- the investigation of a reportable allegation or concern about reportable conduct;
- the findings of an investigation and the reasons or recommendations made at the conclusion of the investigation; or
- any action taken in response to those findings;

##### **To Schools, the Commission and Others**

- the Commission;
- the head of another entity governed by the Act, such as another school;
- The regulator;
- the Chief Commissioner of Police;
- if necessary for the purposes of an investigation, an independent investigator;
- if necessary for the purposes of a Working with Children Check, the Secretary to the Department of Justice and Regulation; and
- a relevant Minister.

##### **Publication of Information**

The College must not publish information that would enable the identification of:

- a person or who notified the Commission;
- a child in relation to whom a reportable allegation was made or a finding of reportable conduct was made.

The Act provides more information on the meaning of 'publish', which includes making the information publicly available in writing or email.

#### **4.10 Powers of the Commission**

The Commission has broad powers under the Act in relation to investigating a reportable allegation at the College. The Commission may visit the College, inspect documents and interview staff members or children involved in the reportable allegation.

The College must assist the Commission in all reasonable aspects of its investigation.

#### **4.11 Record Keeping**

The College maintains records of these reportable allegations, written reports and reportable conduct investigation findings indefinitely.

Records relating to a child protection incident are only disposed of in accordance with our records management procedures.
